

I am a Continental Airlines frequent flyer and member of its Presidents Club. I support Continental's Petition to the FCC. I want Continental to be able to continue to provide its own wireless service to me and other members at Boston Logan and other airports, which is a free service. As a frequent business traveler, I rely on Continental's wireless services wherever and whenever I fly. It is how I manage to stay on top of the work at hand while on the go. Thank you for ensuring the right of the public to use the wireless service of its choice.
